

THE MIROKU ASSOCIATION

The Miroku Association is part of a global spiritual movement inspired by Meishu-Sama's teachings. We are dedicated to helping individuals grow spiritually and live in alignment with divine principles like truth, virtue, and beauty.

Through Johrei, study, and service, we support the transformation of humanity—from an age of confusion into an age of light.

We offer Johrei sessions, study groups, spiritual education, and community activities rooted in love and gratitude.

A NEW ERA: FROM DARKNESS TO LIGHT

The emergence of the Johrei Movement marks a decisive moment in God's divine plan for the salvation of humanity: the transition from the Age of Night to the Daylight Age, which began on June 15, 1931.

From that day forward, the process of humanity's spiritual purification intensified—preparing the way for the birth of a new civilization grounded in the practice of truth, virtue, goodness, and the expression of beauty in all things.

This new time represents the beginning of the realization of Paradise on Earth—an era in which Divine Light becomes increasingly present, dispelling the shadows of ignorance, suffering, and selfishness.

It is in this context that Meishu-Sama received his divine mission: to prepare humanity for this great spiritual transformation.

Experience Johrei in Your Life

Johrei is offered free of charge as an act of love, faith, and service to humanity.

It is a simple spiritual practice in which a person transmits spiritual energy through the raising of the hand, channeling Divine Light that purifies the spirit.

There are many ways to experience Johrei:

- Receiving Johrei at one of our Johrei Centers;
- Participating in Johrei gatherings in your community or hosting one in your home or a public space;
- Receiving the Ohikari — the Divine Light medal — and becoming a channel of Light to serve others;
- Joining study groups to deepen your understanding of Meishu-Sama's teachings.

WHAT IS JOHREI?

Johrei is a method of channeling spiritual energy (Divine Light) for the purification of the spirit—capable of transforming spiritual and material disharmony into harmony.

When a person thinks, speaks, or acts in ways that go against their true altruistic and spiritual nature, they accumulate impurities in both body and spirit. As a result, illness, conflict, and financial difficulties tend to increase.

Johrei purifies and awakens the divine nature within each person, restoring their original spiritual balance. For this reason, we say Johrei is a method of creating true happiness.

Even the first experience of receiving Johrei is often described as transformative—bringing a sense of lightness, mental clarity, inner calm, and renewed purpose.

JOHREI: THE TRANSFORMATIVE POWER

Through the act of raising the hand, the Johrei practitioner channels Divine Light, transmitting spiritual energy that promotes purification and well-being.

The Light of Johrei works on the spirit and is reflected in the physical body, bringing spiritual, mental, and physical balance—regardless of the recipient's beliefs.

Anyone can become a channel of Divine Light. All it takes is the sincere will and desire to help others find happiness.
